Hi Jill,

I am planning to come out on Wednesday at 2pm to meet with Kathy Nawn and it would be great if I could also meet with the NMAG (either before or after) and maybe even see the room in question. Let me know if that is at all possible.

Thanks,

Michelle

Hi Michelle -

Nicole Medina told me that you may be coming to the lab this week, and that you might like to meet with the Nursing Mothers' Advocacy Group (as formal as I just made that sound, we aren't a PAC, yet...!)... True or false? I'm swamped with labwork, so I want to be sure that I know when you are coming if you need to meet with me...
